Dear Dr. Datto:

On behalf of our client, the Liaison Committee on Medical Education (the "LCME"), this letter will respond to your e-mails of April 14 and 15. Those e-mails seek access to versions of LCME accreditation standards that were in effect from 2002-2006.

Enclosed are documents from the LCME's *Functions and Structures of a Medical School* for the period 2002-2006. They represent the text that was publically available on the "standards" page of the LCME's web site during that time.

Should you have any further questions regarding this matter, please direct them to me, not to the LCME.

Very truly yours,

Lynn D. Fleisher
